Give the Gift That Keeps On Giving Featuring Asante Products

Looking for a creative way to celebrate Christmas this year? With an alternative Christmas gift, you honor your loved ones and make a difference in the lives of people around the world, all without a trip to the mall. Asante features beautiful and well-made baskets, batik and tie-dyed textiles (clothing, tablecloths, bedcovers, and wall hangings,) and hand-carved crafts that are purchased directly by Asante Network from the Miichi Women's Group in Tanzania and NEEPU Women's Group in Uganda. The money the women receive helps them to feed their families, send their children to school, and support AIDS orphans. Additional funds raised help build classrooms, provide scholarships, books and tools. You can also give an animal through Heifer Project or a part of a home through Habitat for Humanity, and receive a gift card to announce the gift to your friend or loved one. Gift cards for other alternative giving opportunities will also be available.

Truckee Donner PUD Building is located at 11570 Donner Pass Road
